Miscellaneous Information

Expenses of members of the committee in this discharge of their duties are reimbursed.

An explanation of travel expense reimbursement of volunteers for this committee is attached. This committee has been designated at **LEVEL F**.

Note to the Chair

Committee chairs should be informed, at the beginning of each fiscal period, the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement to, accommodations for, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.

Authorization

The contract between the Society and Brown University was authorized for the Society at the meeting of the Executive Committee and Board of Trustees of 9-12 May 1985, item 3.11 with att. #24. The committee is a consequence of the contract.
