

Exhibits Advisory Subcommittee of the AMS-MAA Joint Meetings Committee

General Description

- Committee is joint and standing
- Number of members is 16
Eight are appointed by the Chairs of the JMC. Eight are *ex officio*.
- Term is two years

Principal Activities

To provide a forum for the discussion of all phases of commercial exhibits at the Joint Mathematics Meetings (JMM) and their effect on the meeting and its participants.

To serve as the Joint Meetings Committee's (JMC) channel for communications to and cooperation with exhibitors, participants and staff regarding the commercial exhibits.

To recommend to the JMC actions which will improve and expand the commercial exhibit activity.

To give advice to the JMC regarding proposed changes to exhibit operations.

Other Activities

The committee is also encouraged to be active in seeking and generating ideas for improvement rather than simply responding to submissions.

Miscellaneous Information

The Committee should meet once a year at the January JMM. During the rest of the year, business can be transacted by mail and telephone. Staff support for this committee will be provided by the AMS Exhibits Coordinator.

Note to the Chair

Word one by committees with recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be handled in a confidential manner.

Authorization

JMC Minutes: August 1993. Created 11/1/93; updated 5/4/95; 12/15/00; 12/01

In 2001 the charge was updated to reflect who the Chair of the committee will be, changes in the summer meetings, changes in the number of members and changes in the terms of the members.
