Other Activities

Note to the Chair

Committee chairs should be informed, at the beginning of each fiscal period, the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement to, accommodations for, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say, once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.

Authorization

From the January 1996 Council minutes:

the Council authorizes creation of three initial electronic journals:

1. The Electronic Journal of Representation Theory.
2. The Electronic Journal of Conformal Dynamics.
3. The Electronic Journal of Geometric Methods in Differential Equations.

(It was stated and implicitly agreed that the managing editors and editorial boards would be appointed by the President based on recommendations from the Editorial Boards Committee. Terms would be the usual three years.)
