

Student Mathematics Library Editorial Committee

(formerly Undergraduate Book Series Editorial Committee)

General Description

- Committee is standing
- Number of members is four
- Term is four years

Principal Activities

This Editorial Committee is charged with selecting book projects for publication that would be appropriate for honors courses, upper-division mathematics seminars and reading courses. The level and topics should be suitable for those students who are capable of doing graduate work in mathematics.

The Committee is encouraged to look favorably on recommendations from other editorial committees of the Society, but is ultimately responsible for the selection of books in the series.

Other Activities

Miscellaneous Information

The business expenses of this committee, such as postage and telephone charges, may be reimbursed by the Society. An explanation of travel expense reimbursement for volunteers on this committee is attached. The Committee may have one meeting per year, perhaps during regularly scheduled AMS meetings. This committee has been designated at **LEVEL E**.

Note to the Chair

Work done by committees with regard to recurring problems may have value as precedent or work done may have historical interest. For this reason, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted so that it can be handled in a confidential manner.

Authorization

Committee formed in 1998. *Updated: 8/09; 8/11; 1/12*
